

Creating Effective Teams

Balloons will be the theme that challenges participants to analyze the steps necessary for creating effective teams. Values will be defined for both the individual and the team. An action plan will be developed so participants can “rise up” to make their teams more effective.

- ★ Practice creating each step.
- ★ Evaluate your team’s progress in fulfilling each step.

Investment

\$5,000. In other words, if you have 150 participants, it would cost \$33 per participant. You can do your own calculations to determine the actual price per participant for your needs: 250 participants = \$20 each; 500 participants = \$10 each.

This investment includes the Instructor/Facilitator Guide and Participant Guide. It may also include handouts, case studies, job aids, PowerPoints, wallet cards, and scenarios. The documents may be provided in Word and/or PowerPoint so that you may customize them to meet your needs.

Unlike other companies, you do NOT need to take certification classes before you can purchase and use the material. We can help you train your trainers, but that is not a requirement for purchase. Once you purchase the material, it is yours to use as you wish throughout your organization, as many times as needed, by as many trainers as necessary.
